*We respect our clients' confidentiality. For competitive and proprietary reasons, many CRS Licensing clients request confidentiality with respect to their projects and with respect to not publicly disclosing their corporate name. Some clients ask us to sign a confidentiality agreement, which we are of course happy to do. Accordingly, this Client List does not include all CRS Licensing clients, but does provide a representative list of the various types of clients with whom we work. In addition, please contact CRS Licensing for specific references that may be contacted by potential clients.
